Mreža LED displeja

Bosna i Hercegovina

ZAŠTO MI

... zato što imamo najveću indoor mrežu LED displeja koja pruža:

Brzinu

Naše kampanje se pokreću online sa nekoliko klikova, po potrebi se mogu pauzirati ili zamijeniti u bilo kojem trenutku. Ako vaš proizvod nije trenutno dostupan, ne treba nam više od jedne minute da promijenimo vaš vizual.

Veću učinkovitost oglašavanja

Nalazimo se na naprometnijim mjestima u trgovačkim centrima širom BiH. Uz mogućnost ne samo običnih vizuala, veći video zapisa koji privlače do 15% više pregleda.

Interakcije

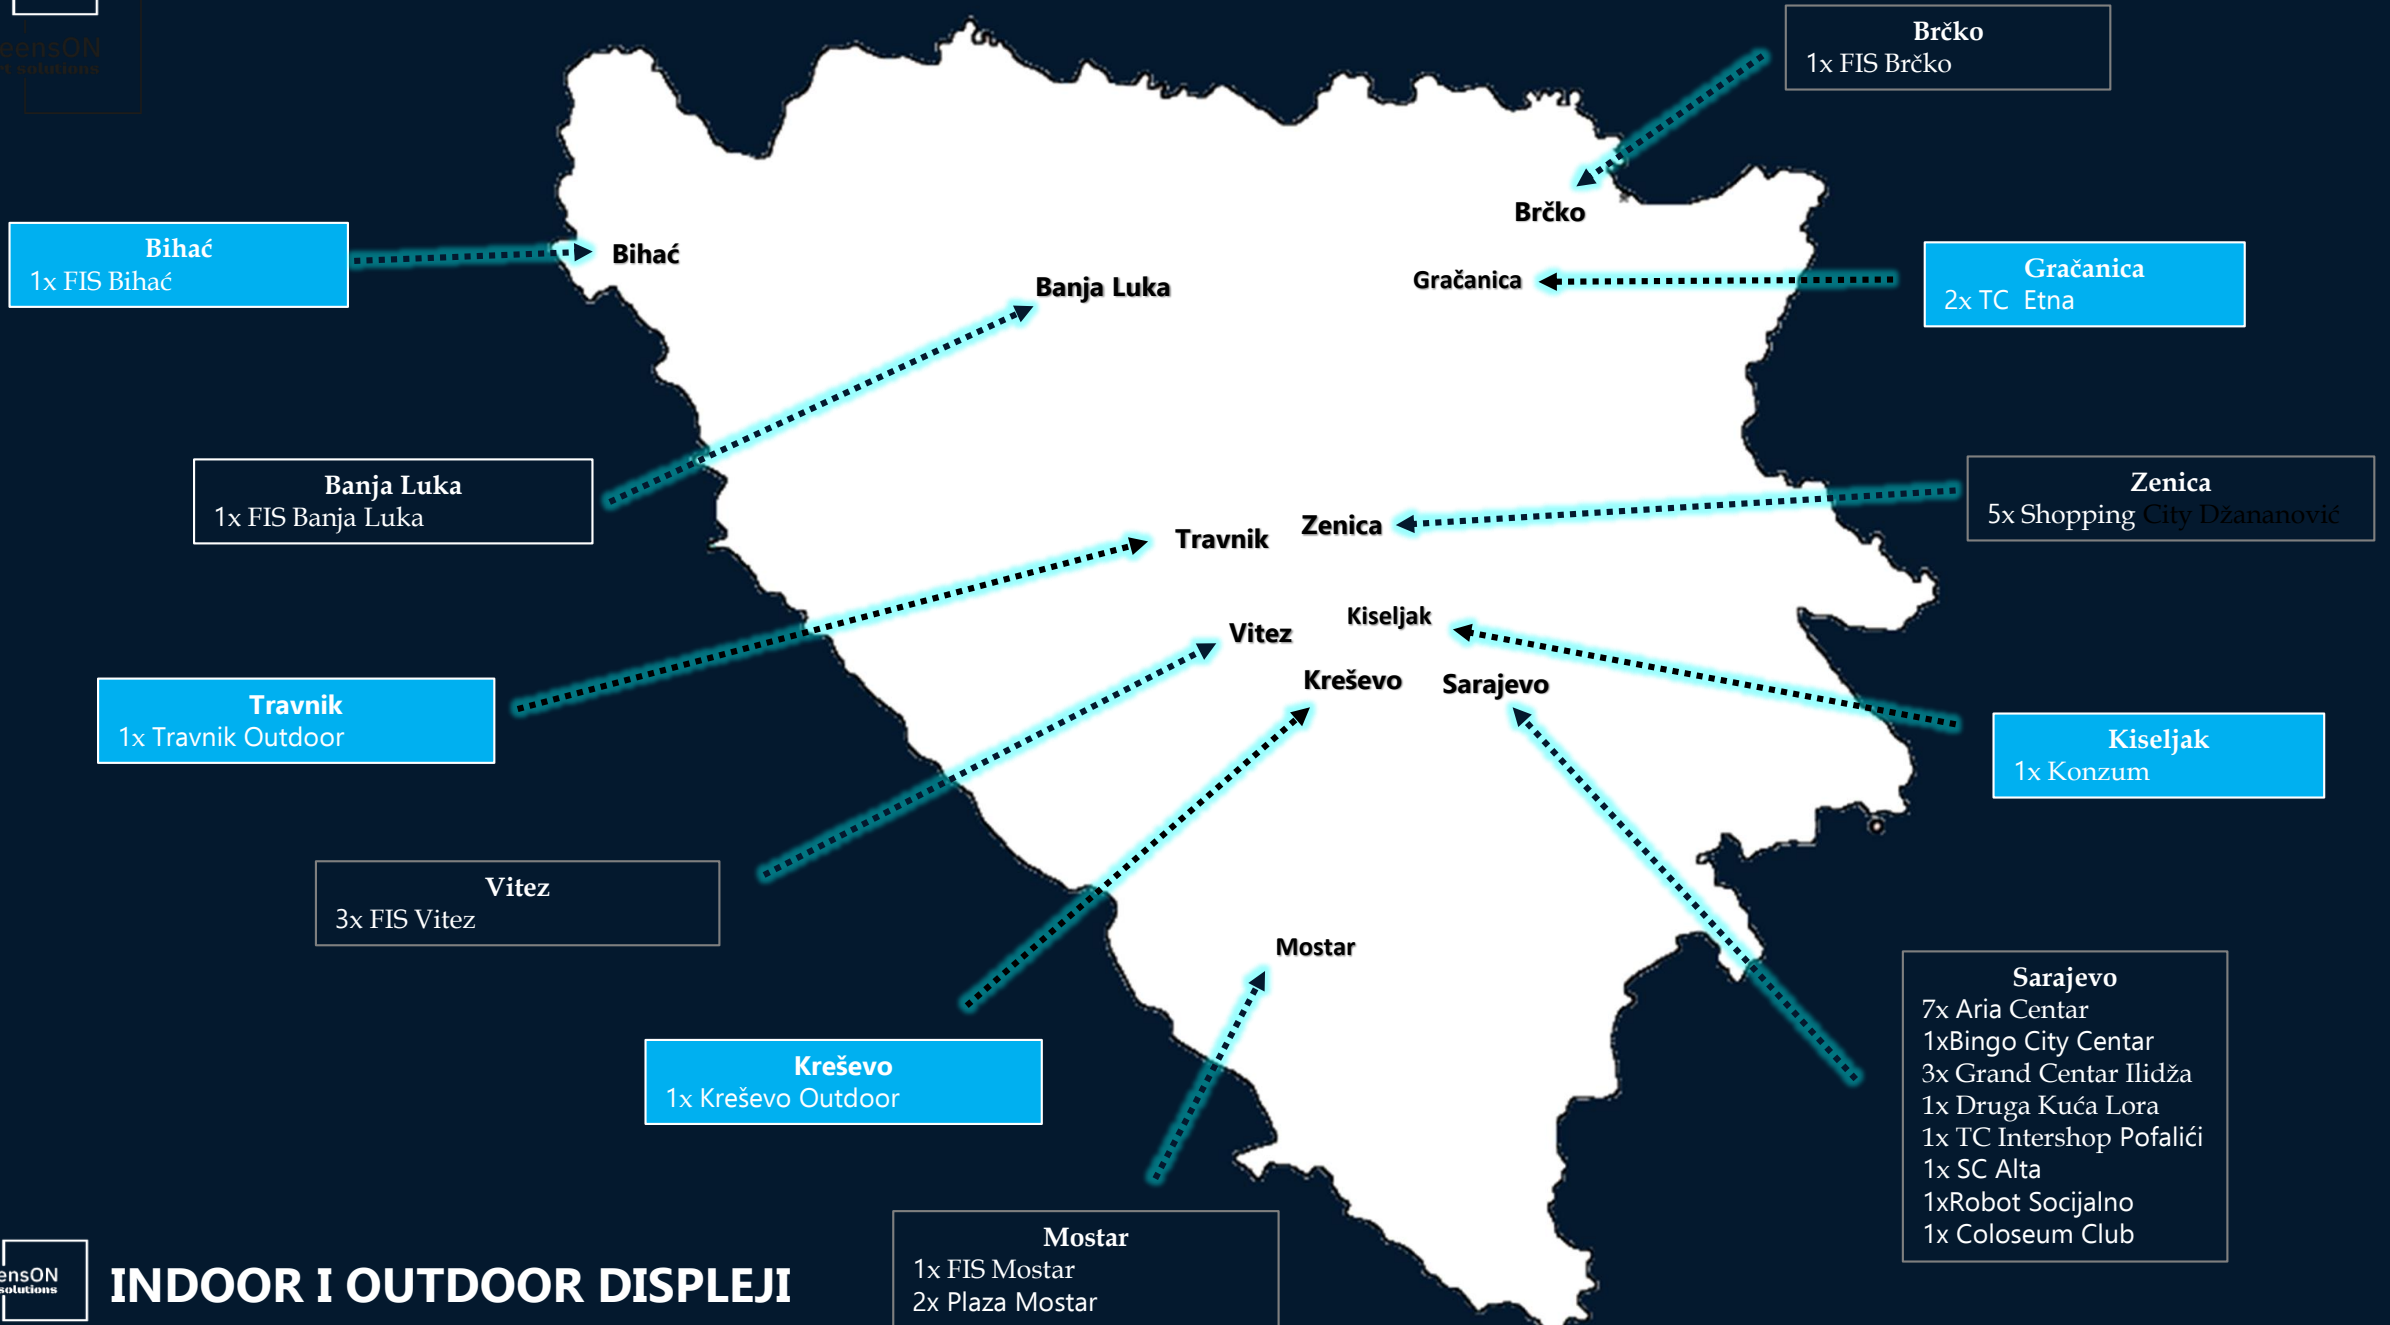

Ploče s dodirnim ekranom imaju ogromne mogućnosti interakcije s posjetiteljima.

I nije štetan našoj planeti

Mi nastojimo da ne uništavamo našu Planetu. Mi smo „**ECO FRIENDLY**“.

A large tablet is positioned vertically in the center-right of the image. The screen of the tablet displays the ScreensON logo, which consists of the text "ScreensON" in a bold, black, sans-serif font, with "smart solutions" in a smaller, lighter font underneath. The logo is centered within a white square frame that has a thin black border. The background of the entire image is a lush, natural scene featuring a waterfall cascading over rocks into a pond with lily pads. A large, leafy tree is on the left side, and a rocky cliff is on the right. The overall atmosphere is serene and eco-friendly.
